Really love the rain against my window  
Bringing back sweet memories  
I feel a pain when I remember  
How sweet it used to be

When we were together  
Everything was so grand, yeah  
Now that we parted, if there's one shout  
I gotta shout, I gotta say

I really love the rain against my window  
But you're never here with me  
I feel a pain when I remember  
How sweet it used to be

Remember those pillows  
Where our heads used to live, yeah  
No weak and some are sweet memories  
If there's one shout, I gotta shout  
I gotta say, I really love the rain

Really love the rain, rain  
Love the, love the rain  
Love the rain, love the rain  
I love the rain, yeah, love the rain

Really love the rain against my window  
You never here with me, yeah  
I feel a pain when I remember  
How sweet it used to be

I love the rain, love the rain  
Love the rain, love the rain  
Love the rain, love the rain, love the rain  
Love the rain, love the rain

Really love the rain, love the rain  
Love the rain, love the rain, love the rain  
Love the rain, love the rain  
Really love the rain, love the rain, Lord  
Really love the rain, love the rain
