Every time we say goodbye, I die a little  
Every time we say goodbye, I wonder why a little  
Why the gods above me, who must be in the know  
Think so little of me, they allow you to go?

When you're near there's such an air of spring about it  
I can hear a lark somewhere begin to sing about it  
There's no love song finer but how strange the change  
From major to minor every time we say goodbye

When you're near there's such an air of spring about it  
I can hear a lark somewhere begin to sing about it  
There's no love song finer but how strange the change  
From major to minor every time we say goodbye  
We say goodbye
