"The Lion King Medley"

Visit "[The Lion King Medley](#)" on MotoLyrics.com

From the day we arrive on the planet, and blinking,
step into the sun
There's more to be seen than can ever be seen
More to do than can ever be done

There's far too much to take in here, more to find than
can ever be found
But the sun rolling high through the sapphire sky
Keeps great and small on the e-endless round

And can you feel the love tonight, it is where we are
It's enough for this wide-eyed wanderer that we got
this far
And can you feel the love tonight (toni-i-ight) how it's
laid to rest
It's enough to make kings and vagabonds believe the
very best

There's a calm surrender to the rush of day
When the heat of the rollin' world can be turned away
And can you feel the love tonight (toni-i-ight) how it's
laid to rest
It's enough to make kings and vagabonds believe the
very best

Sithi uhhmm ingonyama, Sithi uhhmm ingonyama
Sithi uhhmm ingonyama, Sithi uhhmm ingonyama

He lives in you, he lives in me, he watches over
everything we see
Into the water (Ingonyama nengw' enamabala,
Ingonyama nengw' enamabala)
Into the truth (Ingonyama nengw' enamabala,
Ingonyama nengw' enamabala)
In your reflection (Ingonyama nengw' enamabala,
Ingonyama nengw' enamabala)
He lives in you
He lives in you (Ingonyama nengw' enamabala,
Ingonyama nengw' enamabala)
He lives in me (Ingonyama nengw' enamabala,
Ingonyama nengw' enamabala)

He watches over (Ingonyama nengw' enamabala,
Ingonyama nengw' enamabala)
Everything you see (Ingonyama nengw' enamabala,
Ingonyama nengw' enamabala)
Into the water (Ingonyama nengw' enamabala) into the
water (Ingonyama
Nengw' enamabala)
Into the truth (Ingonyama nengw' enamabala,
Ingonyama nengw' enamabala)
In your reflection (Ingonyama nengw' enamabala,
Ingonyama nengw' enamabala)
He lives in you

In the circle of li-i-ife (circle of life) he lives in you (oh-
oh-oh-oh)
It's a circle of life and it leads us all through it's ba-and
of hope, band
Of life
Till we find our place on the path unwinding (winding,
winding)
In the circle, the circle of life, the circle of life...
