Hindi ako sigurado
Pero mukhang type na type mo ako
Nasan ang malandi kong testi sa friendster
Lovers forever and ever and ever
Web cam romancer
Kapag down ang aking server
Nag kaka-fever
Hindi maka-log sa messenger

CHORUS

Cyber surrender (2x);
Cyber surrender (2x);
Ok computer, my cyber surrender
My cyber surrender
I surrender yeah

Stanza chords:
I-download mo 'ko
Matutuwa ka ng husto
Sa aking mainit na site
Send ka ng invite
We'll dance together,
My tiny, tiny dancer
We'll stay together
Sa space an hyper

(Repeat chords)

Outro chords:

I'll have to surrender
My cyber surrender (2x)
