When my workload brings me down  
It's time to turn that frown  
Upside down

Pre-chorus:

I wanna be where the laughter is a remedy  
A living room party just for me

Chorus:

Everything I need on my tv  
Gotta be part of the incrowd  
This is what it means to live on out  
There's plenty of room for the incrowd  
I've got places to go, people to see, pretty neat to be  
me

Time to call up all my friends  
The good times will never end  
This I recommend

Repeat Pre-chorus & chorus

I wanna have a good time (good time, good time)  
I wanna have a good time (good time, good time)

Everything I need (on the tv) 8x
