This is eight hours of romance I wish would never end
But dreams don't always come true and nightmares do

Man overboard, too late I'm already dead.
There's nothing left to find, but a lifeless boy and
unread letters

A stack of regret, a mile high
Welcome aboard. Were headed to shore

Man overboard, too late I'm already dead.
There's nothing left to find, but a lifeless boy and
unread letters

And you know if you were to walk this plank tonight
When you hit the water, I'd untie you
And you know if I could I would kill the captain, the
mate, the whole crew would sink
The whole crew would sink yeah and I'm on the stern
awaiting death.
And you know if I could I would kill the captain, the
mate, the whole crew would sink
And I would sink too only to save you

They'll tell me, "Boy you're home"
They'll tell me, "Boy you're home"
Your Home
