I'll keep your picture in my pocket so I can see you
when I want to.

I'll keep your picture in my pocket so I can see you
when I want to.

Could you let me know if there was something I could
do

To make you feel better?

You put the "M" in Marvelous, and you do it so well
So well, So well, So well

I'll keep your picture in my pocket so I can see you
when I want to.

I'll keep your picture in my pocket so I can see you
when I want to.

Do you know that, do you know that my heart is beating
faster?

And my chest is trembling? It's trembling for you, It's
trembling for you

For you, For you, For you

I'm by your bedside with flowers waiting for you to
wake

I wish I could heal every wound he would ever dare to
make

But I'm just a kid with a heart that knows only love for a
girl

With a name that I can't even say

I'll keep your picture in my pocket so I can see you
when I want to.

I'll keep your picture in my pocket so I can see you
when I want to.
