It was a heart stopping impression that you made the
day that we met
And you always keep me coming back for more

There was Grace there was everything I wanted
And I wish that you would realize, I wish that you would
realize
That it's true, That it's true, That it's true

Hey Miss America miss everything I wanted
I'll make you mine, I'll make you mine
If it's the last thing I do
I'll go throw bottles through his window (and I have
good aim too)
If that's what you want me to do

So I'm a mess so I'm a total wreck and you can bet I'm
not so sure
That what happens in this bus seat will ever leave my
mind,
What happens here will ever leave my mind

So I'm a mess so I'm a total wreck and you can bet I'm
not so sure

Hey Miss America miss everything I wanted
I'll make you mine, I'll make you mine
If it's the last thing I do
I'll go throw bottles through his window (and I have
good aim too)
If that's what you want me to do

So I'm a mess, so I'm a total wreck and you can bet I'm
not so sure

And I'm convinced that life is more beautiful when
viewed through the eyes of a ghost
And I'm convinced that life is more beautiful when
viewed through the eyes of a ghost
And I'm convinced that life is more beautiful when
viewed through the eyes of a ghost
And I'm convinced that life is more beautiful when

viewed through the eyes of a ghost
