Angels, can you hear me?  
In my poor heart,  
there's an empty space.  
Save me from indifference.  
Help to ease the pain.

For those who need light  
more than I  
Will you shine, Mother Maria?  
Shine Santa Lucia.  
Bless us with grace,  
in your sweet embrace.

In these times of darkness  
There's a seed of hope  
that grows in man, woman and child.

Won't you shine, Mother Maria?  
Shine Santa Lucia.  
Give me a sign  
if you can hear me.

These are mine,  
when the world is blind  
and comfort is so hard to find.

Shine, Mother Maria.  
Shine Santa Lucia,  
For those who need light  
more I  
Won't you shine, Mother Maria?  
Shine Santa Lucia.  
And it so may be.

Shine for me.
