My heart goes boum, boum, boum
Every time I think of you.
Inside its boum, boum, boum.
Lost control, what shall I do?

Cause I want to be your lover
till the end of our own lives
I could never miss again,
these loving eyes
oh, boum, boum, boum.

My heart goes boum, boum, boum
Every time I think of you.
I feel the boum, boum, boum
Goes control of what I do.

Umm, simplicity, complexity, oh what a tragedy.
Reality, insanity, strange normality.
Incredible, untouchable, but just visual.
And I want you, just you... oh, boum boum.

Oh...

My heart goes boum, boum, boum.
When my mind is touching you.
I'm going boum, boum, boum
Only light inside myself.
Cause I want to be your lover
till the end of our own lives
I could never miss again, these loving eyes
Boum Boum.
