[latin chant]

O fortuna, velut luna.

O fortuna, velut luna.

Turn around and smell what you don't see,
close your eyes, it's so clear.
Here's a mirror, behind there is a screen,
on both ways you can get in.
Don't think twice before you listen to your heart,
follow the trace for a new start.

What you mean and everything you feel,
is just a question of the deal.

In the eye of storm you'll see a lonely dove!
The experience of survival is the key,
to the gravity of love.

[latin chant]

O fortuna, velut luna.

The path of excess leads to the tower of wisdom...

The path of excess leads to the tower of wisdom...

Try to think about it,
that's the chance to live your life and discover,
what it is, what's the gravity of love.

O fortuna, velut luna.

Look around just people, can you hear their voice?
Find the one who'll guide you,
to the limits of your choice.

But if you're in the eye of storm,
just think of the lonely dove,
the experience of survival is the key,
to the gravity of love.

[latin chant]

O fortuna, velut luna.
