Like a shadow on the wall
If you come in or if you go
Not protected by the law
But you're still, incognito.

You are capturing my soul
If I want it, if I don't
Who you are nobody knows
Got to look behind incognito, incognito.

Like a shadow on the wall
Free access around the world
Who you are nobody knows
Eyes without face, incognito, incognito.

Like a shadow on the wall
If you come in or if you go
Not protected by the law
But you're still, incognito.

Like a shadow on the wall
Free access around the world
Who you are nobody knows
Eyes without face, incognito, incognito.
