Look into the other's eyes, many frustrations.  
Read between the lines, no words just vibrations.

Don't ignore hidden desires.  
Pay attention, you're playing with fire.

Silence must be heard.  
Noise should be observed.  
The time has come to learn, that silence...

Silence must be heard,  
or diamonds will burn.  
Friendly cards will turn.  
Cause silence, has the right to be heard.

People talk too much, for what they have to say.  
Words without a meaning, they are fading away.

Silence must be heard.  
Noise should be observed.  
The time has come to learn, that silence...

Silence must be heard,  
or diamonds will burn.  
Friendly cards will turn.  
Cause silence, has the right to be heard.

Silence must be heard.

Silence must be heard.  
Noise should be observed.

Silence must be heard.

Silence must be heard.  
Noise should be observed.

Silence...  
Silence must be heard.
