Long ago, for many years,
white men came in the name of God.
They took their land,
they took their lives,
a new age has just begun!

They lost their Gods, they lost their smile.
They cried for help for the last time.
Liberty was turning into chains,
but all the white men said:
That's the cross of changes.

In the name of God!
In the name of God, the fight for gold,
these were the changes.
Tell me, is it right,
in the name of God,
these kind of changes?

They tried to fight for liberty,
without a chance in hell, they gave up.
White men won in the name of God,
with the cross as alibi.

There's no God who ever tried,
to change the world in this way.
But for the ones who abuse his name,
there'll be no chance to escape,
on judgement day...

In the name of God!
In the name of God, the fight for gold,
these were the changes.
Tell me, is it right,
in the name of God,
these kind of changes?

Tell me why, tell me why, tell me why,
the white men said:
That's the cross of changes!
Tell me why, tell me why, tell me why,

in the name of God,
these kind of changes...
