Waterfall
You keep on flowin'
Waterfall
You're gonna clean it all
Waterfall
And she was cryin'
And you know what I feel inside
When she came around
She found me silent
And you have seen it
Like the times before
When she got down to my love
Has it been pretended
So you will lead me now
To another start

Waterfall
You keep on goin'
Waterfall
You're comin' from so far
Waterfall
I've paid the prizes
I won't lose you
My mother-nature-call

Waterfall
You keep on flowin'
Waterfall

You're fillin' up the tides
Waterfall
And she was cryin'
Cause when you soothe me
It makes the tides go by
So many times I laid beside you
Now I got a mind to
Make another start
Cause when I'll be achin' for love
Someone's about to find you
And I will feel for you
In another time

Waterfall
You change my feelin'
Waterfall
She's comin' back to town
Waterfall
She's reachin' to me
You're gonna try to save me
Every time I'll come around

Waterfall
Flowin' around me
Waterfall
