I was childish and unfair,  
to you my only friend.  
I regret, but now it's too late.

I can't show you anymore,  
the things I've learned from you.  
Cause life, just took you, away.

I'm asking why!  
I'm asking why!  
Nobody gives an answer.  
I'm just asking why...

But someday we'll meet again,  
And I'll ask you...

I'll ask you why!?  
Why it has to be like this.  
I'm asking you why,  
please, give me an answer.

Many years and stupid fights,  
till we accept to see.  
How it was and it'll always be...

Why it has to be like this,  
when we don't realize.  
Why we're too blind to see the one,  
who's always on our side...

I'm asking why!  
I'm asking why!  
Nobody gives an answer.  
I'm just asking why...

Just tell me why!  
Why it has to be like this.  
That the good ones disappear,  
I'm asking you why...

I'm asking why!

I'm asking why!  
Nobody gives an answer.  
I'm just asking why...

I'm asking why!  
I'm asking why!  
I'm asking why!  
I'm asking why!
