i can hardly believe  
it's been a year now  
since i was dependant on the world  
that revolved around your love  
where to those christmas'es go so quickly  
i can see those eyes so vividly  
watching starlight turn to dawn  
and as a child i welcomed prejudice  
as a lover i spoke of  
next year and next year  
standing by your side  
but when one's heart is in the way  
i can't see past a moment in time  
and how i relied  
upon your strength to hide  
my wounds from one who criticized  
and by sunrise i'd been waiting  
just to catch a tear that had been dried
