on my way up north up on the Ventura  
I pulled back the hood and I was talking to you  
and I knew then it would be a Life Long thing  
but I didn't know that we  
We could break a silver lining

And I'm so sad like a good book  
I can't put this Day Back  
a sorta fairytale with you

things you said that day up on the 101  
the girl had come undone I tried to downplay it  
with a bet about us You said that-  
You'd take it as long as I could  
I could not erase it

And I'm so sad ...

and I ride along side  
and I rode along side you then  
and I rode along side  
till you lost me there in the open road  
And I rode along side till the honey spread  
itself so thin for me to break your bread  
for me to take your word I had to steal it

And I'm so sad ...

I could pick back up whenever I feel  
Down New Mexico way  
something about the open road  
I knew that he was looking for some Indian Blood

and find a little in you find a little in me  
we may be on this road  
but we're just imposters in this country you know  
So we go along and we said we'd fake it  
feel better with Oliver Stone  
till I almost smacked him - seemed right that night  
and I don't know what takes hold  
out there in the desert cold  
these guys think they must

Try and just get over on us

And I'm so sad ...

and I was ridin' by ridin' along side  
for a while till you lost me  
and I was ridin' by ridin' along  
till you lost me till you lost me  
in the Rear View you lost me  
I said Way up North I took my day  
all in all was a pretty nice day  
put the Hood right back where  
You could taste heaven perfectly  
Feel out the summer breeze  
didn't know when we'd be back  
And I - I don't - didn't think  
we'd end up like this
