(So you got co-communion)  
(So you got co-communion)  
(So you got co-communion)  
I have waited all my life  
You say you were bona fide  
To be my judge  
Lay your law down  
On me love  
Seven devils bring the moon  
I have left my weapons  
Cause I think you were wrong  
These devils of yours  
Might need love

Come and get with me  
Body and soul  
Come and kneel with me  
Body and soul  
Come and kneel with me  
Body and soul  
Body and soul  
Body and soul

(So you got co-communion)  
So you got co-communion)

In my temple  
Boy be warned  
Violence doesn't have a home  
Now well ecstasy  
That's as pure as a woman's gold  
Seven devils bring the moon  
I have left my weapons

Cause I think you were wrong  
These devils of yours  
They need love

Come and kneel with me  
Body and soul  
Come and kneel with me  
Body and soul

Come and kneel with me  
Body and soul  
Come and kneel with me  
Body and soul  
Body and soul  
Body and soul

I'll save you from that Sunday sermon  
Boy I think you need a confession

Body and soul  
Body and soul  
Come and kneel with me  
Body and soul  
Come and kneel with me  
Body and soul  
Come and kneel with me  
Body and soul  
Body and soul  
Body and soul  
Body and soul
