Where are you going
Where are you going
Can you take me with you
For my hand is cold
And needs warmth
Where are you going

Far beyond where the horizon lies
Where the horizon lies
And the land sinks into mellow blueness
Oh please, take me with you

Let me skip the road with you
I can dare myself
I can dare myself
I'll put a pebble in my shoe
And watch me walk
I can walk and walk

I shall call the pebble Dare
I shall call the pebble Dare
We will talk, we will talk together
We will talk (chorus) about walking
Dare shall be carried
And when we both have had enough
I will take him from my shoe, singing
"Meet your new road"
Then I'll take your hand
Finally glad
Finally glad
That you are here
By my side

By my side
By my side
By my side
