Tori:  
Maybe he and I

Anabelle:  
Are like a pair of suns  
That are captured

Tori:  
Maybe he and I are like a pair of suns  
That are captured

Anabelle:  
Eternally linked into chasing  
Each other's spin

Tori:  
Eternally linked into chasing  
Each other's spin  
Bound by beliefs

Anabelle:  
That have become steel cords

Tori:  
Why the disharmony?  
Let's resynch my world  
With a harmonic defiance I'll face this

Anabelle:  
I'd like to induct you into  
The drink of the cactus practice  
Cactus

Tori:  
Cactus

Anabelle:  
Practice

Tori:  
Will you induct me into  
The drink of the cactus practice?

Cactus

Anabelle:  
Cactus

Tori:  
Practice  
Are you saying I'm

Anabelle:  
Reactive but I can work with a doll face

Tori:  
Every couple has their version of what they call the  
truth  
Every couple has their version of what they call the  
truth  
Call all that lies

Anabelle:  
Beneath both stories

Tori:  
Back to my fire

Anabelle:  
Embrace what you find

Tori:  
With a harmonic defiance I'll face this

Anabelle:  
It's time to induct you into  
The drink of the cactus practice

Tori:  
Cactus

Anabelle:  
Cactus

Tori:  
Practice

Anabelle:  
I'd like to induct you into  
The drink of the cactus practice

Tori:  
Cactus

Anabelle:  
Cactus

Tori:  
Practice  
Will you induct me into  
The drink of the cactus practice?  
Cactus
