China

All the way to New York
I can feel the distance
Getting close
You're right next to me
But I need an airplane
I can feel the distance
As you breathe

Sometimes I think you want me to touch you
How can I when you build the great wall around you
In your eyes I saw a future together
You just look away in the distance

China

Decorates our table
Funny how the cracks don't
Seem to show
Pour the wine, dear
You say we'll take a holiday
But we never can agree on
Where to go

Sometimes I think you want me to touch you
How can I when you build the great wall around you

In your eyes I saw a future together
You just look away in the distance

China

All the way to New York
Maybe you got lost in
Mexico
You're right next to me
I think that you can hear me
Funny how the distance
Learns to grow

Sometimes I think you want me to touch you
How can I when you build the great wall around you
I can feel the distance
I can feel the distance

I can feel the distance getting close...
