Someone's knocking on my kitchen door
Leave the wood outside what
All the girls here are freezing cold
Leave me with your Borneo, I said
"I don't need much to keep me warm"

Don't stop now what you're doing
What you're doing, my ugly one
Bring them all here
Hard to hide a, a hundred girls in your hair
It won't be fair if I hate her
If I ate her, you can go now, you can go now

You're already in there
I'll be wearing your tattoo
You're already in there

Got a cloud sleeping on my tongue
He goes then it goes and
Kiss the violets as they're waking up
Leave me with your Borneo, I said
"Leave me the way I was before"

You're already in there
I'll be wearing your tattoo, yes

I'm already in circles and circles and circles again
The girl's in circles and circles and circles again
The girl's in circles and circles and circles again
The girl's in circles and circles and circles again, well

Someone's knocking on my kitchen door
Leave the wood outside what
All the girls here are freezing cold
You can go now, you can go now
You can go now, you can go now

You're already in there
I'll be wearing your tattoo
You're already in there
Thought I was over the bridge now
And over the bridge now

I'm already in circles and circles and circles again
The girl's in circles and circles, got to stop spinning
Circles and circles and circles again
The girl's in circles and circles and circles again, well

Circles and circles and circles again
The girl's in circles and circles, got to stop spinning
Circles and circles and circles again
The girl's in circles and circles and circles again, well
