Slip inside the eye of your mind
Don't you know, you might find a better place to play?
You said that you'd never been
But all the things that you've seen will slowly fade away

So I start a revolution from my bed
'Coz you said the brains I had went to my head
Step outside, the summertime's in bloom
Stand up beside the fireplace, take that look from off
your face
You ain't ever gonna burn my heart out

So Sally can wait
She knows it's too late as we're walking on by
Her soul slides away
"But don't look back in anger", I heard you say

Take me to the place where you go
Where nobody knows if it's night or day
Please don't put your life in the hands
Of a rock 'n' roll band who'll throw it all away

Gonna start the revolution from my bed
'Coz you said the brains I had went to my head
Step outside 'coz summertime's in bloom
Stand up beside the fireplace, take that look from off
your face
You ain't ever gonna burn my heart out

So Sally can wait
She knows it's too late as we're walking on by
Her soul slides away
"But don't look back in anger", I heard you say

So Sally can wait
She knows it's too late as we're walking on by
Her soul slides away
"But don't look back in anger", I heard you say

So Sally can wait
She knows it's too late as she's walking on by
My soul slides away

"But don't look back in anger, don't look back in anger"
I heard you say, at least not today
