Down by the seaside  
See the boats go sailin'  
Can the people hear, oh  
What the little fish are sayin'

Down in the city streets  
See all the folk go racin'  
No time left, no-no  
To pass the time of day

The people turned away  
The people turned away

Out in the country  
Hear the people singin'  
Singin' 'bout their progress  
Knowin' where they're goin'  
Oh yeah

The people turned away  
Yes, the people turned away

Can you still do the twist  
Do you find you remember things that well  
Some twistin' every day  
Though sometimes it's awful hard to tell  
Yes it is, yes it is  
Yes it is

Sing loud for the sunshine  
Pray hard for the rain  
And show your love for Lady Nature  
And she will come back again  
Yes she will

The people turned away  
The people turned away
