Fight, I could fight with the best and I never was on the fence.

Laugh, I could laugh when I heard the guitar of the circus man.

When I was dreaming, it seemed my world went away.  
As you were leaving, I could see,  
That I couldn't find what I used to, in your eyes.

Isn't it time, yeah. Maybe it's time, yeah.  
When I was dreaming, it seemed my world went away.  
As you were leaving, I could see,  
That I couldn't find what I used to, in your eyes.  
When I was dreaming, it seemed my world went away.  
As you were leaving, I could see,  
That you couldn't find what you used to, in my eyes.  
When... I... was dreaming, ooh yeah.  
When I... was... dreaming, ooh yeah...
