That's all I wanted, something special  
Something sacred in your eyes  
Just for one moment, to be bold and naked at your side  
Sometimes I think that you'll never understand me  
Maybe this time is forever, say it can't be, well

That's all you wanted, something special  
Something sacred in your life  
Just for one moment, to be warm and naked by my side  
Sometimes I think that you'll never understand me  
All you know we'll be together 'cause we could be  
happy, well

I will be your father figure  
Put your tiny hand in mine  
I will be your preacher, teacher  
Anything you have in mind

I will be your father figure  
I have had enough of crime  
I am the one who loves you  
Till the end of time

That's all I wanted but sometimes love can be mistaken  
for a crime  
That's all I wanted, just to see my baby's blue eyes  
shine  
This time I think that my lover understands me  
Oh, you know if we have faith in each other  
Then we can be strong, oh boy

I will be your father figure  
Put your tiny hand in mine  
I will be your preacher, teacher  
Anything you have in mind

I will be your father figure  
I have had enough of crime  
I'll be the one who loves you  
Till the end of time

If you are the desert, I'll be the sea

If you ever hunger, hunger for me  
Whatever you ask for, about what I'll be  
Oh you say, it can't be

That's all I wanted, something special  
Something sacred in your eyes  
Just for one moment, to be bold and naked at your side  
Sometimes I think that you'll never understand me  
Maybe this time is forever, say it can't be

I will be your father figure  
Put your tiny hand in mine  
I will be your preacher, teacher  
Oh, you know I will

Well, I will be your father figure  
Put your tiny hand in mine  
I will be your preacher, teacher  
Anything you have in mind

I will be your father figure  
I have had enough of crime  
I will be the one who loves you  
Till the end of time
