Steady girl on your feet

You and your wonderings

Bread can feed a few

So can some cartoons

So it ends

So it begins

I'm my father's son

Plant another seed of hate

In a trusting virgin gun

Steady girl for the show

Got a versus god ringside

Littered with corpses

Neither god can forgive

So the desert proves

Strawberry cactus

Can you blame nature

If she's had enough of us

So it ends

So it begins

I'm my father's son

Plant another seed of hate

In a trusting virgin gun  
Steady boy watch them pray  
To you I suspect  
If you keep my flesh firm  
I'll ready those sacraments  
So it ends  
So it begins  
I'm my father's son  
So it ends  
So it begins  
I'm my father's son  
Plant another seed of hate  
In another father's son
