Back to love the minds
Cries Below
Cries Above
You must pick a side
Will you choose fear
Will you choose love

Chorus:

What does it look like
This orbital ball
From the fringes of the milky way
What does it feel like
This orbital ball
On The fringes of the milky way
Raining fla..fla...falavor
I've seen fla..fla...flavor, flavor, love

Who's God then is God
They all want jur..jurisdiction
In the book of Eris
Who's God spread fear
Spread love

Chorus:

What does it look like

This orbital ball
From the fringes of the milky way
What does it feel like
This orbital ball
On The fringes of the milky way
Raining fla..fla...falavor
I've seen fla..fla...flavor, flavor, love

Try not to breath when seen

What does it look like
This orbital ball
From the fringes of the milky way
What does it feel like

This orbital ball
On The fringes of the milky way
Raining fla..fla...flavor
I've seen fla..fla...flavor

Spread that fla..fla...flavor
Flavor
Flavor
Flavor
