I don't, I don't know why
In your boy's life you become like a bull
Like a bull in a China shop
Smash it up into smithereens

There you, there you go again
Breaking, breaking porcelain
Is that all I am
Just a doll you got used to

We've done, we've done this before
As Mars sauntered through his door
Don't say it's time to say
Goodbye to Pisces, goodbye to Pisces

I cried and I washed my tears
That turned into diamond
Ice into ice and if it could freeze
My heart wouldn't float away

There we, there we go again
Breaking, breaking porcelain
Is that all we are
Just some dolls we got used to

We've done, we've done this before
As Mars sauntered through his door
Don't say it's time to say
Goodbye to Pisces, goodbye to Pisces

So how, how will I go
Back on, back on the shelf
With a smile, with a smile
To the customer and say
On sale by the owner

Here I, here I go again
Breaking, breaking porcelain
Is that all I am
Just a doll you got used to

We've done, we've done this before

As Mars sauntered through his door
Don't say it's time to say
Goodbye to Pisces, goodbye to Pisces
Goodbye my Pisces
