"Happy Worker"

Laughing at the smoke
From the black roof chimneys
Marching to the beat
Of a heart within me

Hey, ho, well hey
Ho, we're off to work again
Bells are ringing, we are singing
Joyous in our industry

I love my job
He loves his job
Pull that lever
Start the engine

Pump the water
Build the pressure
Push the piston
Press the button

Pump the water
Build the pressure
Push the piston
Press the button

It's the perfect job

Happy workers
Happy workers
Happy workers
