A little dust never stopped me now
He liked my shoes
I kept them on
Sometimes I can hold my tongue
Sometimes not when you just
Skip-to-lou my darling
And you know what you're doin'
So don't even

You're just too used to my honey
Now
You're just too used to my honey

And I think I could leave your world
If she was the better girl
So when we died
I tried to bribe the undertaker
'Cause I'm not sure what you're doing
Or the reasons

You're just too used to my honey
Now
You're just too used to my honey
You're just too used to my honey
Now

Don't bother coming down
I made a friend of the western sky
Don't bother coming down
You always like your babies tight

Turn back one last time
Love to watch those cowboys ride
But cowboys know
That cowgirls ride
On the Indian side
And you know what you're doin'
Don't even

You're just too used to my honey
Now
You're just too used to my honey

You're just too used to my honey
Now
You're just too used to my honey
