If the sun refused to shine  
I don't how  
I don't mind

If the mountains fell in the sea  
Let it be  
It ain't me

Got my own world to live through  
Ain't gonna come near you

If a 6 turned out to be 9  
I don't know how  
I don't mind

If the hippies cut off their hair  
I don't care  
I don't care

I've got my own world to live through

Ain't gonna come near you

If the sun refused to shine...

What child is this...  
What child is this...  
What child is this...  
What child is this...  
What child is this...  
What child is this...  
What child is this...  
What child is this...  
What child is this...?
