With your ease  
and your e's  
and I do one more

Get a little  
boost in your America

Is it god's  
is it your  
sweet saliva?

With your ease  
and your e's  
and I do one more

I know we're dying  
and there's no sign of a parachute  
we scream in cathedrals  
why can't it be beautiful  
why does there gotta be a sacrifice

just say yes  
you little arsonist  
you're so sure you can save  
every hair on my chest  
just say yes  
you little arsonist  
come on

with your ease  
and your e's  
and I do one more  
with your ease  
and your e's  
and I do one more

I know  
we're dying  
and there's no sign  
of a parachute  
In this chapel little chapel

of love can't we  
have a little grace and  
some elegance  
we scream in cathedrals  
why can't it be beautiful  
why does there gotta be a sacrifice

why does there gotta be a sacrifice
