life is a mystery, everyone must stand alone  
i hear you call my name  
and it feels like home

when you call my name it's like a little prayer  
i'm down on my knees, i wanna take you there  
in the midnight hour i can feel your power  
i'm down on my knees, i wanna take you there  
in the midnight hour i can feel your power  
just like a prayer you know i'll take you there

i hear your voice, it's like an angel sighing  
i have no choice, i hear your voice  
feels like flying  
i close my eyes, oh God i think i'm falling  
out of the sky, i close my eyes  
heaven help me

when you call my name it's like a little prayer  
i'm down on my knees, i wanna take you there  
in the midnight hour i can feel your power  
just like a prayer, i know...  
when you call my name it's like a little prayer  
i'm down on my knees, i wanna take you there  
in the midnight hour i can feel your power  
down on my knees i know i'll take you there

like a child you whisper softly to me  
you're in control just like a child  
now i'm dancing  
it's like a dream, no end and no beginning  
you're here with me, it's like a dream  
let the choir sing

when you call my name it's like a little prayer  
i'm down on my knees, i wanna take you there  
in the midnight hour i can feel your power  
down on my knees i'm gonna take you there  
when you call my name it's like a little prayer  
down on my knees, i wanna take you there  
in the midnight hour i can feel your power

just like a prayer you know i'll take you there

life is a mystery, everyone must stand alone  
i hear you call my name  
and it feels like home
