Surrender then start your engines
You'll know quite soon what my mistake was
For those on horseback or dog sled
You turn on at the bend in a road

I hear she still grants forgiveness
Although I willingly forgot her
The offering is molasses and you say

I guess I'm an underwater thing
So I guess I can't take it personally
I guess I'm an underwater thing, liquid running

There's a sea secret in me
It's plain to see and it is rising
But I must be flowing liquid diamonds, liquid diamonds

Calling for my soul
And at the corners of the world
I know she's playing poker
With the rest of the stragglers

Calling for my soul
At the corners of the world
I know she's playing poker
With the rest, the rest

And if your friends don't come back to you
And you know this is madness
A lilac mess in your prom dress and you say

I guess I'm an underwater thing
So I guess I can't take it personally
I guess I'm an underwater woman, liquid running

There's a sea secret in me
It's plain to see and it is rising
But I must be flowing liquid diamond, liquid diamond

I call, I go inside a shell
I see it's old and you're doing oh so well
These days you do it again and I say it's coming back

Again something like the

And Saturday, such was it
Can he bring me those dreams
Keep it back, dead is done
Preaching back into himself
Keep it just between us

Liquid, liquid, liquid
