(R.E.M.)

Me, me...
Me in the corner
Me in the spotlight
Losing my religion
Thought that I heard you laughing
Thought that I heard you sing
I think I saw you try
Consider this
Consider the lengths that I would go to
The slip that brought me to my knees
And I don't know if I can do it
Oh no I said too much
I set it up
Thought that I heard you laughing
Thought that I heard you sing
Life is bigger
Bigger than you and you are not me
The lengths that I would go to
Hey, I said too much
I set it up
I think I saw you try
It's me, me...
Me in the corner
Losing my religion
Trying to keep an eye on you
And I don't know if I can do it
Oh no, I said too much
I set it up
Thought that I heard you laughing
Thought that I heard you sing
Losing my...
It's me
It's me...
Can't you see
