Whenever I'm alone with  
You you make me feel like I am home again  
Whenever I'm alone with you  
You make me feel like I am whole again

Whenever I'm alone with you  
You make me feel like I am young again  
Whenever I'm alone with you  
You make me feel like I am fun again

However far away I will always love you  
However long I stay I will always love you  
Whatever words I say you know I will always love you  
I will always love you

Whenever I'm alone with you  
You make me feel like I am free again  
Whenever I'm alone with you  
You make me feel like I am clean again

However far away I will always love you  
However long I stay I will always love you  
Whatever words I say you know I will always love you  
I will always love you
