Waiting for the phone to ring
Diamond necklace on my shoulder
Waiting for the phone to ring
Lipstick on my naked shoulder
It seems to be my fancy to make it with
Franky and nancy

Over the bridge we go
Looking for love
Over the bridge we go
Looking for love
I'll come running to you, hey baby if you want me
I'll come running to you, baby if you want me

Looking at my hands today
Look to me that they're made of ivory
I had a funny call today
Someone died and someone married
You know that it's my fancy to make it with
Franky and nancy

Over the bridge they go
Looking for love
Over the bridge we go
Looking for love
I'll come running to you now, baby if you want me
I'll come running to you, baby if you want me
I'll come running to you now, baby if you want me
I'll come running to you, baby if you want me
And something's got a hold on me
It's the beginning of a new age
It's the beginning of a new age
Can you sing a tune for yourself
It's the beginning of a new age
All you little sick little fucks
It's the beginning of a new age
