Fire Muse:

Rose so red
this night of hunters
find love instead of their
blood by your thorn

tori:

Rose so red
this night of hunters
Find love instead of their
blood by my thorn

Fire Muse:

Dark forces are out there gathering

tori:

Dark forces are out there gathering

Fire Muse:

Some hunt for power
others to invade children's dreams

tori:

Some hunt for power
others to invade children's dreams

tori:

They must pay this night of hunters

Fire Muse:

Find Love instead of their
blood by your thorn

tori:

Find Love instead of their
blood by my thorn

Holy Father, why not ask forgiveness
from the Land?
Spirit to Spirit
End this suffering

Spirit to Spirit
Soul to Soul
They stole the dreams

Fire Muse:
of the children
By distorting what Love means

Watching Over
Keeping Watch
Watching Over
Keeping Watch
Watching Over

tori:
Keeping watch over children's dreams
the ancient seven sisters above

Tuning the frequency

Fire Muse:
Keeping watch
Watching over

tori:
Keeping watch over children's dreams
The ancient seven sisters above

Changing the frequency

Fire Muse:
Watching Over
Keeping Watch
Watching Over

tori:
Keeping watch over children's dreams
the ancient seven sisters above

Turning the frequency

tori:
Holy Father, you ask forgiveness
from the land

Fire Muse:
Sacred Mother, you are released
from your chains

tori:
Spirit to Spirit

The children's dreams

Fire Muse and tori:
must now be reclaimed
Spirit to Spirit
changing the frequency
Spirit to Spirit
Soul to Soul»¿
