There was a gambler and a cleaner and a puppeteer  
only the puppet could explain just what he was  
All on a bus we were hopin' to pass the time  
plug my piece in boys then we can drink the wine  
drink the wine drink the wine-  
music, good friends, I'm not dyin' today  
I Amy be 6 feet under full of wonder  
I'm not dyin' today  
Dyin' today  
I'm not dying mister  
today  
Neil is thrilled he can claim he's a mammalian  
"but the bad news," he said "Girl you're a dandelion."  
Dandelion. Hey I need to think about that.  
Yeah, I thought about that and I said, "What the Hell?"  
He said, "Nope, you are Earth bound, blow them seeds  
away  
maybe one will make a sound."  
Make a sound, Make a sound-  
music, good fiends,  
I'm not Dyin' Today

may be 6 feet under full of thunder  
I'm not Dyin' Today  
dyin' today  
I'm not dying mister  
today  
So they got us go goin' and comin'  
Cause they make us pay  
if we go or stay  
is he prayin'  
that I'll pop my clogs?  
if they can't prove I'm crazy  
by noon I'll be pushin' up them daises  
Tomorrow, with their Donut ox they'll say "Its sad she's  
Brown Bread."  
Hey, I got my weapons-  
music, good friend,  
I'm not dyin' today  
I may be 6 feet under  
way down yonder  
I'm not dyin' today

dyin'  
I'm not dying, sister, take your paws off  
my ankle straps and my mister  
Dyin' Fryin', rather have a lie-in  
I am not blowin' that Gabriell's Trumpet  
i got my own band to play today
