Operation Peter Pan Lyrics

hola
rojo
morning to you
you always helped me chase demons away
don't know what I'll do without you
so Pan is the name of the plane

second to the right
straight on 'til morning
that's where I'll be waiting
second to the right
straight on 'til morning

hola
tick-tock
my time is up
Pedro says

I will forget him in days
in my new life, no room for a lost boy
boys can be so dumb sometimes

second to the right
straight on 'til morning
that's where I'll be waiting
second to the right
straight on 'til morning
straight on 'til morning

kiss Pedro for me
