Looking past  
branches  
past  
fresh mown grass  
dirt licking my elbows  
I watch his hand move  
up  
up  
up  
her dress

Don't run away  
from me now

Don't run away  
from me now

She's down on the  
ground  
she gives the boy  
smile  
I think of you  
I think of  
the man  
all the while  
you see my dreams  
are filled with him  
his face shows  
up up up  
in my favourite  
danish

Don't run away  
from me now  
she's willing  
just breathe  
willing  
one day I'll be

Don't run away  
from me now

she's willing  
just breathe  
willing  
one day I'll be

Sail through my ears  
I heard you fine  
the first time  
time to let it go  
time to give my  
gun a nice  
surprise  
surprise

Willing  
just breathe  
willing  
peeping Tommi
