philadelphia...
philadelphia...

sometimes i think that i know
what love's all about
and when i see the light
i know i'll be all right
philadelphia

i've got my friends in the world
i had my friends
when we were boys and girls
and the secrets came unfurled
mmmmm...

city of brotherly love
place i call home
don't turn your back on me
i don't want to be alone

someone is talking to me
calling my name
tell me i'm not to blame
i won't be ashamed of love
philadelphia

aaaaahh

city of brotherly love
brotherly love
aaadadadadaadada
don't be ashamed of love
philadelphia

sometimes i think that i know
what love's all about
and when i see the light
i know i'll be all right
philadelphia
