If you're a thought  
You will want me  
To think you  
And I do  
Invited a guest  
Up until  
You announced  
You had moved in

"what do you plan to do  
With all your freedom"  
The new sheriff said  
Quite proud of his badge

You must admit the land  
Is now in good hands  
Yes, time will tell that  
You just lift your lamp

I will follow  
Her on her path  
Scarlet's walk  
Through the violets  
Just tell your gods for me  
All debts are off this year  
They're free to leave  
Yes, they're free to leave

Leaving terra  
Leaving terra

There was a time  
When I thought that  
Her destiny  
Should've been mine

Big brave nation  
But instead  
Her medicine  
Now forgotten

"what do you plan to do

With all your stories"  
The new sheriff said  
Quite proud of his badge

We're weaving through  
Every rocket's red glare  
And huddled masses  
You just lift your lamp

I will follow  
Her on her path  
Scarlet's walk  
Through the violets  
Just tell your gods for me  
All debts are off this year  
They're free to leave  
Yes, they're free to leave

Leaving terra  
Leaving terra

If you're a thought  
You will want me  
To think you  
And I do  
And I did
