Got a sister named Desire  
They don't let you  
Like those little boys  
By their house  
On the backyard swing  
I know of it 'cause  
I thought we told  
Some little sweet stories  
In the parking lot

They say that girl lost her sway  
The say that girl lost her sway  
That day

God I'd like to drag him  
For a long way 'cause maybe I  
Then I'd just cry a little tear  
Near him to that sleepy safe place  
And I'm gonna take him by myself  
If I've got to go  
Don't let you know  
Let you know  
Where she goes to with those  
Me as I interfere

That girl lost her sway  
They say that girl lost her sway  
That day

Teach me about them old worlds big brother  
And in an elevator  
Where somebody can get out  
With the sound

They say that girl lost her sway  
Just watch it  
Just watch it slip through my hands, boy  
Watch it go  
Oh, what you know  
I guess  
I see  
Just see

'Cause she still can sway
