Shut your mouth  
I'm spinnin' it tight down south  
I'm on raid  
tie you down cause boy I can  
save you from that evil faith  
Eagles serve yeah uhhuh Mother first  
they turn you into predator but boy I can  
save you from that evil faith  
Arms sold in Balmy cities that may not be with us for  
long  
save you from that evil faith  
lay back  
Strong Black Vine  
submission  
is my mission for a  
Strong Black Vine  
you might just see that  
sweet Jesus  
Strong Black Vine

submission  
is my mission for a  
Strong Black Vine  
your mission  
concentrate  
Blown to bits her innocent flesh to dust  
all for a dark god  
all for the love of some evil faith  
Swollen stream  
every drip serpents bliss  
you rape Earth knowledge  
still she would save you from your evil faith  
Bodies bathe in black gold your pleasure  
Arms sold in Balmy cities that my not be with us for  
long  
save you from that evil faith
