"Lies everywhere"
Said the Father to the son
You're peppermint breath
Gonna choke him to death
Daddy, watch your little black sheep run
He's got knives in his back
Everytime he opens up
You say "He gotta be strong if you want to be a man"
Mr. I don't know how you can have
Sweet dreams
Sweet dreams

Land land of Liberty we're run
By a constipated man
When you live in the past
You refuse to see
When your daughter comes home nine months
pregnant
With five billion points of light
Gonna shine them on the face of your friends
They've got the earth in a sling
The world on her knees
They've even got your zipper
Between their teeth
Sweet dreams
Sweet dreams
You say you have 'em
I say that you're a liar
Sweet dreams

Sweet dreams
Go on and dream
Your house is on fire

Well well summer wind
Been catching up with me
"Elephant mind missy you don't have
You're forgettin
To fly darlin' when you sleep"
I got hazy lazy susan
Takin turns all over my dreams
I got lizards and snakes

Runnin' through my body
Funny how they all have my face
Sweet dreams
You say you have 'em
I say that you're a liar
Sweet dreams
Sweet dreams
Go on and dream
Your house is on fire
Sweet dreams
