I know  
You know  
Every desperado  
And sharp shooter  
In the west  
You say that I can't see behind  
The mask of those who call themselves  
The good guys in this  
Who take and take  
"so are you with me  
Or not" you say  
"this time decide"

Balmy days  
Sweet sangria  
She's been gone  
Have you seen her  
Senorita  
Shyly turning away  
Leaving me our fading flame

Yeah you think about that  
What you believe in  
It matters now  
To you and me  
What you believe in  
I'm takin' in  
I said I'm takin' in  
What you believe in  
It matters now  
To you and me

Before sundown  
The mexicans leave  
San antone  
The car will then  
Drop him at the

Border the breaking point I know  
Your people have suffered  
Time and time again  
But what about I ask you now

The innocents on both sides

Balmy days  
Sweet sangria  
She's been gone  
Have you seen her  
Senorita  
Shyly turning away  
Leaving me your fading flame

Yeah you think about that  
What you believe in  
It matters now  
To you and me  
What you believe in  
Cause I'm takin' in  
You say I'm takin' in  
What you believe in  
It matters now  
To you and me

So give me give me give me  
A no window  
I ask you,  
Give me give me give me  
A bloodless road  
Tell me tell me tell me  
Why does someone  
Have to have to have to lose?
