Congratulate you  
Said you had a double tongue  
Balancing cake and bread  
Say goodbye to a glitter girl

Talula  
Talula  
You don't want to lose her  
She must be worth losing  
If it is worth something  
Talula  
Talula  
She's brand new now to you  
Wrapped in your papoose  
Your little Fig Newton

Say goodbye to the old world

Ran into the Henchman who severed  
Anne Boleyn  
He did it right quickly, a merciful man  
She said 1 + 1 is 2  
But Henry said that it was 3  
So it was  
Here I am

Talula  
Talula  
I don't want to lose it  
It must be worth losing  
If it i worth something  
Talula  
Talula  
She's brand new now to you

Wrapped in your papoose  
Your little Fig Newton

And Jamaica  
Do you know what I have done  
Mary M weaving on said  
What you want is in the blood Senators

I got Big Bird on the fishing line  
With a bit of a shout, a bit of a shout  
A bit of an angry snout  
He's my favorite hooker of the whole bunch  
And I know about his only Bride  
And how the Russians die on the ice  
I got my rape on  
Honey, but I always could accessorize  
And I never cared much for the money  
But I know right now  
That it's in God's hand  
But I don't know who the father is

Talula  
Talula  
I don't want to lose him  
He must be worth losing  
If it is worth something  
Talula  
Talula  
He's brand new now to you  
Wrapped in your papoose  
Your little Fig Newton
